I accept and agree that other than as set out in the conditions of carriage, Oldham Athletic assumes no responsibility for and owes no duty of care to and shall have no liability in respect of the young person's safety, welfare, well-being, conduct or possessions or the consequences of any breach by the young person of the Code of Conduct, the Conditions of Carriage, or the general law. If your child misses the coach for any reason and is not considered to be at risk, it may be that they need to make personal arrangements for their return journey. You should ensure that you child know what contingency plans they can make should this unlikely incident occur, and that they have contact numbers and appropriate funds to support a return home. Considerations will be given to the age and maturity of young supporters should these circumstances arise.

I am responsible for notifying Oldham Athletic of any changes to the emergency contact number(s) provided above, and understand that failure to do so may result in the refusal to carry the above named child on Oldham Athletic coaches for changes to contact details please contact 0161 624 4972 or email supporter.services@oldhamathletic.co.uk
